

FAX NOTICING SYSTEM

In order to provide faster and more efficient delivery of orders, judgments, and notices to attorneys of record, the U.S. District Court for the District of Vermont will be introducing our new fax noticing system in the next several months. Here is how it will work:

- ☐ Attorneys authorize the Clerk of Court to fax orders, judgments and notices.
- ☐ Faxes are sent directly to the firm's fax number in lieu of mailing a copy of the document, usually providing delivery the same day they are docketed.
- ☐ The Clerk's Office maintains a report confirming receipt by parties of the electronic notice.
- ☐ If the Clerk is unable to confirm receipt of the document, notice by mail will be effected the following business day.

To participate, just complete the authorization form below and return it to the Clerk's Office at P.O. Box 945, Burlington, VT 05402. A separate authorization must be completed for each attorney in a firm. This form is also available on our website at www.vtd.uscourts.gov.
